

Be Sure

Ask for Ayer's Sarsaparilla, if you are in need of a blood-purifier—the only certain and reliable remedy for pimples, blotches, and all other eruptions of the skin. As an alternative, Ayer's Sarsaparilla, after a trial of nearly half a century, is universally conceded to be the best ever discovered. It is agreeable to the taste, and, being highly concentrated, only small doses are needed.

An old lady of eighty, Mrs. Mary C. Ames, of Portland, Me., after forty years of suffering from a humor in the blood, manifesting itself in Erysipelas and other distressing eruptions on the skin, at last began the use of Ayer's Sarsaparilla, and, after taking ten bottles, she is now, she says, "as good as fair as ever."

Dr. S. McDonald, of Soley St., Charlestown, Mass., suffered greatly from Boils and Carbuncles, and for nearly two months was unable to work. A druggist advised him to take Ayer's Sarsaparilla, after using two bottles of which he was entirely cured. He has remained in good health ever since.

Ayer's Sarsaparilla,
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by all Druggists. Price \$1; six bottles, \$5.

THE BOAZ GOLD MINE.

At a meeting held on Tuesday the 31st inst. by the board of directors it was decided to advance the price to

25 Cents Per Share

Within a very few days the very favorable report just brought from the mine by Mr. M. A. Murphy, who was sent out to examine the property, together with the always just made at Denver, Col., which shows \$25 gold and silver per ton, this, together with the rapidly increasing shares are selling makes it necessary to advance the price. Samples of the ore can be seen at J. A. Thoms' Furniture Goods, in Pickwick building, corner Third and Main streets, Fort Worth.

DRUNKENNESS CURED!

DR. T. G. HAMMER.

The above is the picture of the greatest temperance reformer that ever lived. Over two thousand honorable men in Texas alone bear witness to his remarkable success in curing the disease of Drunkenness—for it is a disease, and can be cured. Dr. T. G. Hammer is the only man in the United States that always cures it. No man that has the disease fully developed has the power to go himself to cure his friends, and if you want your friends to leave off whisky, take them to the doctor at St. James Hotel, Dallas, and get them relieved permanently and safely.

Trust alone in temperance.
